Your sponsorship supports

continued funding of key Flatiron/23rd Street Partnership marketing and streetscape beautification projects, above and beyond what is possible with the Partnership assessment revenue alone.

As a sponsor, your organization enjoys logo brand recognition on items not available to the general public— these are possible only through the Partnership. This allows for unique opportunities to strengthen brand awareness in the Flatiron and NoMad neighborhoods where your employees and customers live, work, commute, and play.

Participation in the sponsorship program is also an ideal way to show your company's support for the community and commitment to neighborhood improvement in a hyper-local way.
